# Urgent Care Centre

Nurse led walk in service

Open from 8am - 8pm every day

## Urgent Care Centre Service

We provide a nurse led walk in service for adults and children with new minor illnesses and injuries, including broken bones.

We aim to see 85% of all our patients within 2 hours.

More serious cases including younger children and older patients may be given priority.

*Helping you to live life well*

### Minor injury x-ray service

All of our practitioners are able to assess whether you require an x-ray after an accident or fall.

This service covers the arms including the shoulder and collar bone and the legs from the knees to the toes, for patients over the age of two.

## Services we provide

### Assessment & treatment of:

- Broken bones
- Childhood illnesses
- Coughs and colds
- Cuts and bruises - suturing
- Ear and eye problems
- Eye injuries
- Minor head injuries
- Rashes and skin infections
- Rib injuries
- Sprains and strains
- Small burns
- Sore throats and chest infections

### We can provide advice on:

- Domestic abuse support
- General health
- Sexual health

### Weekday and bank holiday dressing service

Please book in an appointment for routine dressings during a weekend or bank holiday.

For weekday dressing and ear syringing appointments please contact your GP surgery.
