The Bristol Research in Practice Annual Symposium

A symposium particularly aimed at nurses, midwives, AHPs, health care scientists and clinical psychologists

8 May 2014 from 10.00 a.m. - 4.00 p.m.

UHBristol Education Centre, Bristol

Invitation to attend

Register for this free event (with lunch) through www.eventbrite.co.uk/e/bristol-research-in-practice-annual-symposium-2014-registration-10115564927

The Symposium will be chaired by Margaret Fletcher, Professor of Clinical Nursing

Keynote Speaker: We are delighted to announce that Nichola Rumsey, Professor of Appearance Research and Co-Director of the Centre for Appearance Research at University of the West England will be presenting this year.

The highly popular breakfast workshops on grant writing and writing for publication will return again this year.

Presentations and videos from the 2013 symposium can be viewed by logging into the Engaged with Research website: http://ewr.uwe.ac.uk

Deadline for abstract submission 10 March 2014

If you have been involved in research or practice innovation which reflects the aims of the symposium, please consider sharing it more widely by contributing.

The 2014 call for abstracts will cover the following themes:

* The Patient Experience
* Delivering High Quality Care
* Innovations in Care
* Improving Health Outcomes
* Developing the Work Force
* The Care: Technology Interface

Detailed information on the abstract format in available from the UHBristol Research and Innovation website at:

www.uhbristol.nhs.uk/research-innovation/our-research/news-and-events/
