

## Broadening the Vision of Supportive Cancer Care and Survivorship – an Integrative Medicine Approach

**Integrative Medicine combines the best of conventional, lifestyle and complementary medicine approaches to support, inspire and give people tools to care for themselves and live well.**

**26 April 2014 at Penny Brohn Cancer Care, Bristol, Pill  
9.30am - 5.00pm**

*This **CPD** event is open to **all healthcare professionals and complementary therapists.***

**Penny Brohn Cancer Care** in association with the newly forming **Portland Centre for Integrative Medicine (formerly Bristol Homeopathic Hospital)** is presenting a one day seminar explaining the Integrative Medicine Approach in a cancer setting. There will be a range of speakers offering conventional clinical updates, whilst others will offer insights into nutrition, mindfulness and complementary approaches for supportive care.

If you are a healthcare professional working in oncology, palliative and supportive care, or a complementary therapist who sees people with cancer, this day will interest you.

**Investment:** £75 (wholesome vegetarian lunch and refreshments included)

**Early Bird Discount** - book your place by 15 March 2014 and receive **£10 discount**
