

Southwest Critical Care Network Delirium Stakeholders day

May 2017

Thanks to

- Southwest critical care network- Graham and the two Sarah's

- OrionPharma- Mark- sponsors

- Team of speakers from SWCCN and wider UK

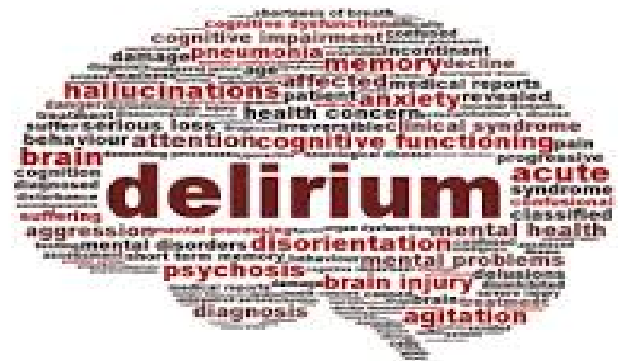

Why are we here?

South West Critical Care Network

- Share practice
- Work together for our patient's best interests
- Provide standards of care that are achievable, measureable and evidence-based
- Improve patient's outcomes and experiences of critical care
- Prevent harm (delirium)

Outline for the day

Delirium is here and now....
