

Freedom of Information Request

Ref: UHB 17-238

Date 18 April 2017

Thank you for your request for information under the Freedom of Information Act 2000. The Trusts response is as follows:

I am currently undertaking small research into palliative care plans and advanced care plans. I have searched the Trust website for information and PDF downloads of these, I have managed to download the supportive materials for Patients information , however my attempts have been unsuccessful to locate and download the templates used for Individualised care plans, Advanced care planning document and the Preferred Priority for Care document.

Would you kindly either direct me to the source of these PDF's and any appropriate supportive documents available for both staff and patients or redirect this email to a contact within the Trust who may be able to assist me.

Please see attached documents.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.
