Thank you for your request for information under the Freedom of Information Act 2000. The Trusts response is as follows:

**Under the Freedom of Information act, can you please provide me with the following information: Details of all the current doctors partaking in training fellowships (or other similar training programmes for post CCT doctors) within your Radiology departments? Please provide full names of the doctors, their GMC numbers, start dates of current post, end date for current post and the sub-specialist interest they are being trained in.**

The Trust does not currently have any doctors partaking in training fellowships (or other similar training programmes for post CCT doctors) within our Radiology departments; therefore we do not hold this information.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Trust Secretary  
University Hospitals Bristol NHS Foundation Trust  
Trust Headquarters  
Marlborough Street  
Bristol  
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
