

Freedom of Information Request

Ref: UHB 17-383

Date 4 July 2017

Thank you for your request for information under the Freedom of Information Act 2000. The Trusts response is as follows:

**We are trying to understand the cost effectiveness of Ocriplasmin (Jetrea) treatment for vitreo-macular traction. We would like to obtain data regarding the number of injections performed, and possibly cost, of this treatment in your Trust, should you have ever provided it. The time frame would be 01/01/2016 to 31/05/2017, if possible divided by month, otherwise just a total number will suffice.**

There have been no injections performed in the Trust between 1st January 2016 and 31st May 2017.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Trust Secretary
