Thank you for your request for information under the Freedom of Information Act 2000. The Trusts response is as follows:

1. **I would like you to complete tables of information, specifying for each months since January 2012 and ending December 2016, the number of Emergency admissions under the medical department. Please provide the information in an excel document, in a format of 48 rows with a month for each row.**

   Please see attachment 1. Please note the data provided in attached document refers to Emergency Admissions (Inpatients) to specialties in the Division of Medicine for our Adult Services. This data therefore excludes Paediatric Medicine, Oncology and Cardiology

2. **In addition to this table please also provide me with:**
   A list of each month over the four year period that all hospital beds were filled at any point in that month.

   We do not hold the requested information in this format. We can however provide average levels of occupancy per month. Please see attachment 2 for further details.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Trust Secretary
