Understanding our location codes:

We have a number of hospitals in the centre of Bristol, we hope this map helps you to navigate your way around them.

The following hospitals have been divided into zones: Bristol Royal Infirmary (BRI), Bristol Heart Institute (BHI), Bristol Haematology and Oncology Centre (BHOC), Bristol Eye Hospital (BEH) and Bristol Royal Hospital for Children (BRHC).

Each department and ward within the zone has been given a number. To find your way to where you need to go, first find the zone and then follow the numbers to the right floor level and location.
